Move-In Day Registration Process

For our busiest move-in days on Aug. 17 (New Students) and Aug. 20-21 (Returning Students) we are requesting that students pre-register for a check-in timeslot.

Check-in windows will be 3 hours. The purpose of registration windows is to provide a move-in experience that reduces congestion during the move-in process.

Visit the Residence Life website to register for your check-in or check your Truman email in July to register.

What to Expect on Move-In Day

- We pride ourselves on coming together with staff from across campus to provide a quick and efficient check-in process.
- Maps to campus, including maps about parking options are located on the Move-In Day Website.
truman.edu/residence-life
- An OUTDOOR check-in station will be located near each Residence Community during First-Year Student Check-In and on Saturday, Aug. 20 for Returning Student Check-In. Returning students checking in on Sunday, Aug. 21 will do so at the hall desk. You will receive your room key and other essential information from the check-in location.
- Your check-in window will be limited to three hours. This time limit is to ensure that there is limited congestion in the parking lots and residence halls during your move-in.

SPECIAL CONSIDERATIONS DURING THE COVID PANDEMIC:

Get Vaccinated!

- According to the Center for Disease Control (CDC) the COVID-19 vaccines are effective at protecting you from getting sick and spreading the virus to others!

What to Bring:

- The Essentials.
 - ▶ You want to PACK LIGHT AND BE MOBILE. Doing so will help you move in quickly, will make it easier to move rooms should you need to isolate or quarantine.
- Luggage, totes, and travel bags that you can quickly load with essential items in the event you have to be isolated or quarantined.
- Cleaners, disinfectant, face masks, gloves, and other wellness supplies that you will use to ensure your living environment is clean and disinfected regularly.
- Small totes or bags to carry your personal hygiene products with you around your building, including when using community spaces like bathrooms, laundry rooms, kitchens, and study areas.

If You Become Ill

- Consult with the Student Health Center or a local health care provider.
- Inform your roommate and suitemate so they can make choices to protect their health and wellness.
- If you test positive for COVID-19 inform Residence Life staff or the Student Health Center staff to assist you.

Isolation Procedures

- Arrangements will be made with campus Dining Services to assist in you receiving to-go meals at your living unit.

Quarantine Procedures

- Arrangements will be made with campus Dining Services to ensure that you receive to-go meals at your living unit.

Before You Move-In

- Get vaccinated for Meningitis
 - ▶ As required by state law, all students living in residence halls will be required to either: 1) show proof of immunization against meningitis within the past five years; or 2) sign a waiver stating they understand and fully accept the potential consequences and liability associated with refusing the vaccine. Students **WILL NOT** be allowed to move into the residence halls without first meeting the above requirements. Please refer any questions you may have about vaccinations to the Student Health Center at 660.785.4182.
- Submit your PHOTO for your Truman ID if you did not pick up your Truman ID during Orientation.
 - ▶ If you do not yet have your Truman ID card you will need to go to the ID Office during your move-in window. For instructions on submitting your ID photo for your Truman ID Card, visit the ID Office Website. idoffice.truman.edu.
 - ▶ To obtain your Truman ID, you will need to show your state-issued ID card (such as a drivers license or a passport).
 - ▶ Your Truman ID is necessary to access your residence hall and your meal plan.
